

## CHURCH BUILDING PROGRESS

*Then I told them of the hand of my God which was good upon me; as also the king's words that he had spoken unto me. And they said, Let us rise up and build. So they strengthened their hands for this good work. ( Nehemiah 2:18)*

Praise the Lord for all the blessings of our God in our life and ministry. Through our prayer, by God's Grace we may continue to do this good work to rebuild our Church in

Makassar after postponed for two weeks. During Holiday we had racing fund by selling traditional food of Toraja. we call it Papiong. It's made from Pork and vegetables and burned in Bamboo. All members and symphatizer : Youth, children and parents came to participate in this project. Through this project we earned approximately USD 600. Therefore we would able to paint the ceiling and finished the wall in the left side. We still have right and front side.

Lets continue to pray for this project. So far we already use the church in our ministry activities such us Sunday Service, Youth Service and GSOP Training. May God be Glorified all our ministry unto HIM.

In His Service
