

KENYAN COAST GRACE YOUTH SEMINAR DECEMBER 2016

MAKING AN IMPACT IN LIVES OF YOUNG GRACE BELIEVERS

We are full of gratitude to God for what He has done for the youth of Coast Grace Bible Churches. This year has been different for us: it has been a year of transformation. We launched our youth seminar at our new sanctuary in Mombasa Grace Bible Church.

With the permission of Regional Overseer, Peter Kagwi, together with the Coast Regional Board, the youth leadership was given a go ahead to organize this seminar which had a lot of breakthrough and success.

We experienced God's faithfulness in the preparation and launching of this extraordinary seminar.

Coast Regional Youth Leadership, spearheaded by its coordinator, Mr. Benson Mwaniki, showcased their leadership prowess by doing what they know best. They took the initiative to make this long awaited dream a reality.

The two day seminar took place on 2nd and 3rd of December 2016 and was officially opened by Madam Margaret Kagwi. It proceeded with sessions and workshops headed by competent teachers.

During the seminar the youth

were fully engaged with activities that impacted and transformed all aspects of their lives. They were so excited and requested to continue, but time and resources could not allow us.

We climaxed and crowned the conference by awarding all the youth with certificates of participation and attendance, which was a real surprise and huge motivation for them.

We appreciate the support of any kind from each individual. We want to let you know that without your support we couldn't have made it. God bless you as you keep on supporting our ministries down here at the Coast.

REMARKS FROM REGIONAL OVERSEER-PST. PETER KAGWI

It is my pleasure to thank the Coast Region Youth Coordinator, Mr. Benson Mwaniki, for organizing the youth seminar. I also thank God for Robert Ogema, Pastor Aloyce Ochieng, and my wife Margaret for facilitating the seminar. The things taught are as follows: HIV and AIDS Awareness and Abstinence, Leadership and Evangelism.
