

KENYA COAST GRACE NEWSLETTER

FEBRUARY 2019

Dear friends and partners in the ministry,

My wife and I would like to take special time to THANK YOU so much for being our friends and partners in the ministry. And again THANK YOU for your great generosity in faithfully and tirelessly supporting us and our ministries. Your prayers, advice and financial support have been a great help in doing our ministries in Kenya. May the Lord abundantly increase your blessings. You are in our prayers always.

At the end of last year, we (Coast Team) evaluated the TCM ministries of **Grace Bible Church** at the Kenyan Coast. We found that from our previous goals, there were a number of things we did not complete. We therefore came up with a four year-strategic plan for the Coast ministries. We named it **COAST VISION 2022**. The details of our goals, objectives, vision and mission statements are outlined in this flyer. Kindly review it and see what we intend to do. More importantly, continue praying that more doors will be opened.

KENYA COAST VISION 2022

For it is God who works in you to will and to act in order to fulfill His good purpose. I am able to do all things through Him who gives me strength. (Phil. 2:13; 4:13)

OUR GOALS

1. Increase membership of Mombasa church to 200 adults and 1200 adults in the Coast Region
2. Double the number of Grace Churches in the region from 8 to 16
3. Establish a new Bible training center in Voi Region
4. Enroll 50 Bible school students each year for a total of 200 graduates
5. Complete construction of Mombasa-Mikindani church wall and floor
6. Give regional leaders 200 Ksh (\$2) initiative per month starting January 2019

OUR MISSION

Mombasa Grace Bible Church-TCM Kenya endeavors to follow the Apostle Paul as he follows Jesus Christ by strategically and creatively building a growing community of Grace assemblies around the city of Mombasa and beyond, as well as spreading His saving grace to unchurched communities.

OUR VISION

To preach the unsearchable riches of Christ to all people and to make all men see what is the fellowship of the mystery by winning lost souls, equipping the saints, reproducing Grace churches and producing committed believers in Grace teaching whose lives are Christ-like in character.

Berean Grace School of Ministry (BGSM) continues to be a center of Pastoral and Leadership training in the Coast Region of Kenya. We started the new school year with 15 students. Since the beginning of our training program, we have been renting the graduation gowns. However, this year we have started a project of buying our own gowns. Our goal is that by the end of June this year we shall purchase 20 gowns of our own. The cost per gown, including cap and tassel is \$35. We trust the Lord for His provisions for this need. During our next graduation in August 2019, we shall use our new gowns. Brethren, we appreciate so much your prayer and any other support that will help to accomplish this specific goal.

The Lord has blessed our ministry in Mombasa. Our churches are growing both spiritually and numerically. We have eight churches at the coast. Early this year (2019), the Lord has helped us start two Bible classes. One is within Mombasa City with Pastor Wilfred, a graduate of Berean Grace School of Ministry (BGSM). He is in the process of putting up a temporary structure.

The second one is in Rabai village, Kilifi County (photos below). It was started through the effort my associate in our main church in Mikindani, Pastor Shadrack Mutuku,. Pray for the lay leader in charge, Mr. Katana. He is being mentored by Shadrack. We trust God that by the end of this year we shall be able to plant four Grace Churches at the coast as per our plan.

In conclusion, we are very optimistic that through God's help and all your prayers for us, we will together accomplish our goals for the glory, praise and honor of His name.

Yours in His service,

Pastor Peter and Margaret Kagwe
