

Dear Praying Friend,

Greetings to you in Christ's Wonderful name!

Last Friday morning(October 21) Myself and my daughter, Agape Grace, travelled visiting the Bukidnon Churches on the way to Cotabato Province. Regularly, Pastor Dajiroc visiting the Native congregation in Kalabugao, Impasug-ong; Pastor Luther Buagas scheduled the evangelistic film showing in Quezon Bukidnon in November. Jomar Quimada is finishing up the church building in Mahayahay mountain, Valencia City. In the evening we attended the youth Fellowship in Gayola, Kidapawan City, passing through the many roadblocks military check points in the muslim areas that has no light. Early in the morning (5am) we climbed up the mountains of Matalam North Cotabato, this lies near the boundaries of Bukidnon. The road was so rough- slippery, halfway. Pastor Max Amlon was with us on the journey for he has to dedicate children there. We attended the Taguranao Church Thanksgiving. Sunday Morning I spoke during the Thanksgiving day in Marva. In the evening was the evangelistic meeting in the Plaza of Marva, Matalam, North Cotabato.

I brought with me horns, projector, wirings, tracts, screen and other materials needed. I was thinking at first that few people will attend the evangelistic meeting. I was wrong, in fact many people attended in spite of the cold-foggy-dewy night. There was brown out for a short time. It was good, that the meeting was not hampered. The current was back for few minutes. More than 50 people professed to receive that Lord Jesus Christ as their Saviour and Lord. I gave them tracts. We need to give them New Testament Cebuano-Hiligaynon Bibles.

Tuesday, early in the morning we arrived at 2AM in Cagayan de Oro City, because I slept for three times on the road. I was so tired and I was slow coz my back old tire the ply-wires was coming out already. I was expecting that it will explode but it wasn't till we reached Cagayan de Oro City. We passed by the houses of three Pastors in Bukidnon. They gave us snacks and dinner. It was 10 hours travel time.

We are so happy that the trip was successful. We are happy of the responses. Thanks for your prayers and financial support.

These are all for now. May God will richly bless you!

In His grace,

Jun Cadelina
