

MISSION EAST TIMOR

JULY 19, 2018

"Ye have not chosen Me, but I have chosen you, and ordained you, that ye should go and bring forth fruit."-- [John 15:16](#).

The Thanksgiving

We are so thankful because, first and foremost, my whole family was given the privileged to attend the SEAGC at Changmai, Thailand. That conference really help us to see the life of every missionaries that we have meet and gather some information on how they started their work.

#our first time in SEAGC

Third, we are so thankful from the churches here in our province and specially to our home church because they agreed that a day before my whole family will be sent out from the Philippines in going to East Timor they will do a departure service, prayers and offerings. These will be attended by at least 10 churches. This is very important for me, as we march to the regions beyond that the group of believers are singing, praying, and supporting the mission.

And lastly we are very happy and thankful after I receive and read the email from Valerie that there are already some people who responded in the distribution of brochures and gather a small available fund to be used for East Timor.

#a surprise birthday card

Second, we are so thankful of receiving a birthday card from TCM STAFF during the first birthday of my youngest son Emmanuel (Jack). We have been inspired from the messages of some individuals who are praying behind us.

The Plan

- A. Our first plan will be much better if I will go first, maybe a month or two, before I'll bring my whole family for the following reasons:
 - ◆ To find a place, a house to stay or a boarding house,
 - ◆ To set all things that we need to stay in the country.
- B. To enrol in language study to have more reason to stay in the country.
- C. Praying that our children will be enroll in East Timor by the month of January 2019, next year.

Prayer

Praying that I:

- ◆ Can go out this month of July.
- ◆ Will enroll in language study.
- ◆ Can find immediately a boarding house to stay.
- ◆ Our financial needs.
- ◆ Can have more contact and friends in East Timor.

"To know the will of God, we need an open Bible and an open map."

— William Carey, pioneer missionary to India
