

# MISSION EAST TIMOR ❖ AARON & NOEMI ARSINO

November 2018

**2 Corinthians 10:16**

To preach the gospel in the *regions* beyond you, *and* not to boast in another man's sphere of accomplishment.

## THANKSGIVING

We give thanks to the Lord for guiding us always in meeting the requirements here in the Philippines to apply for visas to East Timor. It is not easy but we are always trusting God that it can all be done. We give thanks to God for giving us good health every day. We give thanks to the Lord for giving us the opportunity to promote mission and encourage churches to support missionary work.

We also thank God that we don't have any problem with

our children going out from the Philippines and leaving their friends and relatives behind who they will miss. Instead, they are also very excited to see how God will work through us in East Timor, to live with people who have a different culture, language, food and many things.

We thank God for Timorese friends who are willing to help us start the work in East Timor and some Filipino friends who already live there. We also thank God for some religious groups in East Timor that are encouraging us also to start the ministry. Lastly we thank God for guiding me to the right people to help us in processing visas for East Timor.

## PLANS

- We will have a Sending Out Service attended by at least 10 churches on November 10, 2018 in Surigao City.
- Stay in Manila for 10 days to get items required for our visas—
  - Red ribbon notarization of all of our documents in the Department of Foreign Affairs.
  - Medical Certificates for all of us.
- November 20, 2018 is our target day to leave the Philippines for East Timor.**

**YOUR  
CAPPUCCINO  
MIGHT  
COME FROM  
EAST TIMOR!  
COFFEE &  
CINNAMON  
ARE GROWN  
THERE!**

Here's how you drink coffee with friends in East Timor. It's also the way missionary work is done — through building relationships and sharing the Good News of salvation by grace through faith plus nothing with friends who only know a Good Works religion. What an opportunity for Team Timor to share this message with those who know about Jesus, but have never understood what Jesus has freely accomplished for them through His death and resurrection.
