

March & April 2014

- ❖ **TIM HEATH & GENESIS MARAAT — YANGON, MYANMAR:** Teaching leaders of Grace Gospel Churches of Myanmar, Pastor Kenneth Ling writes, "God is so good! Thirty trainees join with us every day. We plan Church Dedication Friday evening and the Lord's Supper Sunday morning (2nd March). We are really excited to hear the doctrine of our Grace Church."

Genesis reports, "We really appreciate your prayers for the new TCM work in Myanmar. To the praise of the glory of His grace! Nathan Killion and Ben Anderson taught a seminar in October 2013. Thank you all for praying. I arrived safely in Yangon, Myanmar and our brothers Pastor Kenneth, Tim Heath and Peter met me at the airport. Tim Heath arrived last Saturday and held meetings the whole day Monday. Today I taught the whole morning until lunch and some part in the afternoon. We really had a good time learning together. Around 30 individuals are joining in the seminar. Tim is greatly encouraged by the desire of the people to know more and more of God and His wonderful message of Grace. Continue praying that God's Word will spread here rapidly. "

- ❖ **KILGO FAMILY—DEPUTATION:** "We are spending weekdays at the TCM headquarters and traveling to churches on weekends. We are currently in the midst of a deputation trip until April 10. This weekend we travel to Beloit, WI for Sunday services, and on to Grand Rapids, MI for three weeks. Then to Menomonee Falls, WI for Sunday at Falls Bible Church. After that we go to Tipp City, OH, and finally to Altoona, PA before traveling south to spend time with family in Georgia. May 7th we fly to SE Asia to begin planting Bible churches in Penang, Malaysia. We purchased plane tickets about two weeks ago with a fantastic deal. The end of our deputation period is now close at hand as we finalize our three year plan to arrive on the mission field!
- ❖ **MYRA OMICTIN—CAMBODIA:** "The Phnom Penh church plans to focus on reaching city people this year and onwards. One strategy is to teach High School students. The classes the church plans to open are Computer and English. I will personally handle the English programs. This is program will involve several people in the church and volunteers from outside. Two Filipino missionaries and teachers told me they want to help out. Thank God for the provisions. Even though we have not started yet, I am seeing God's resources are arriving...teachers and curriculum are available already."

❖ **THE PADAYHAGS—SOUTH AFRICA:** " With the fertile soil of opportunities and the rainfall of God's blessings, planting and harvesting become both necessary and obligatory in South Africa. We believe we have a God-given vision to plant more churches and harvest more souls, a big leap of faith for us, but when God gives the vision, He gives the provision. Seven strategic places are identified, eight local missionaries are named, training-orientation is scheduled. March 2, during joint-worship service in Grace Berean Church-Tshepisong, church planters will be empowered, prayed over, released and supervised. Pray the Lord will use them mightily and supply their needs as we oversee and coordinate this ministry."
