### Praise for 12 Years of Service!

Ariel and Faith, with their daughter Pauline, arrived in Cambodia on 2007.

We celebrate 12 years of Service in Cambodia by the Mahilum family. We rejoice in the labor of our saints to establish the work of TCM Cambodia starting in 2007 with Pastor Ariel, Faith and their daughter Pauline.

A new chapter in the lives of the Mahilums has seen their return to their homeland of the Philippines and reunion with their daughter and other family members in January of this year.

Cambodia stands as a flourishing ministry today because of the courage and commitment it took for this family to step out in faith and establish their hearts among the people of Cambodia by God's grace and trusting in His guidance.

The life of a cross-cultural missionary requires incredible faith and dependence on the Lord. It also requires a certain degree of sacrifice and suffering. It takes an attitude of learning and a humble spirit. A foreign field has many challenges and trials however the joys deeply impact the life of a Christian and the eternal rewards are immeasurable. Nothing done for Christ is in vain. (1Cor.15:58)

We want to give honour and praise to this family for their service and sacrifices in the ministry to reach the lost Buddhists of Cambodia for Christ and enhance the growth of Khmer Christians. We love you and appreciate your 12 years in Cambodia and pray for your continued service for the Lord in the Philippines.

**O**ur 1<sup>st</sup> year celebration was a true blessing and testament to God's goodness and faithfulness to the ministry here! As Team Cambodia we would like to thank the Lord for walking with us in His amazing grace for the past 12 months. All the Honor, Glory and Praise go to our Almighty God and Father of all! We would also like to thank our Mission-Leaders for their prayers, love, guidance and valuable leadership. Thank you also Mission-Partners for your faithfulness in praying and supporting God's Mission here in Cambodia. Special thanks to those who have helped us in meeting our financial needs for the anniversary celebration. To our family members who are far away from us, thank you for your sacrificial love for the Lord and for us that overcomes loneliness despite the distance.

We want to dedicate a special "Thank You" to Cambodia Grace Gospel Ministries City Central Church for their passion and participation to serve with us for God's glory and expansion of the work in Phnom Penh. We have come to this point because we **WORK TOGETHER** as **ONE FAMILY**, how precious and vital is the Body of Christ in making things happen! We are thankful to our CGGM leadership (Khmer Board of Trustees), brothers and sisters from Chom-Chao and Cheutiel fellowship groups, for their encouragement and presence during our 1st church anniversary celebration!
