TEACHING - SPREADING THE MESSAGE OF GRACE - ENCOURAGING - COUNSELING

We are so grateful to God for giving Vicki and me the ability and health to continue to minister in Brazil even in our “retirement” age. There is still plenty of work to be done. While we do not have the physical energy to do so much running around like we did in the past, we continue the process of faithfully “passing the baton,” **teaching** the “rightly divided” Word of God, **spreading** the message of the wonderful, life transforming grace of God, **encouraging** the younger generation to take on the responsibility and privilege of reaching fellow Brazilians, and **counseling** people that grace is not only a head doctrine, but a way of living.

TEACHING takes place in the pulpit, one-on-one, in small groups, and by phone. The Word of God is powerful and we have seen so many lives touched and transformed. I am able to preach on a rotating schedule in our different churches in Recife, and Vicki continues to teach and disciple women and children.

SPREADING THE MESSAGE OF GRACE has become so much more effective with technology! Much of my time now is focused on organizing *Grace literature* for the present and future generations. I have a compilation of Bible studies, sermons, and translated booklets, and I have been sending them to hundreds of people across Brazil by email, and also handing out printed versions here in Recife. This literature has also been a great tool for younger pastors and lay leaders in our churches all over the country, not only to expand their knowledge in Grace doctrine, but also to teach others.

ENCOURAGING younger leaders and fellow Christians is a vital ministry. We have faced so many challenges in our 46 years ministering in Brazil, and we are witnesses of God’s goodness and faithfulness. *“Wherefore comfort yourselves together, and edify one another, even as also ye do”* (1 Thess. 5:11).

COUNSELING has also been a part of what we do. So many people are struggling, and we know *“all scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness”* (2 Tim. 3:16-17). We praise God for giving us many opportunities to minister to people’s hearts, and teach them how His grace is sufficient in our lives. *“According as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue”* (2 Pe. 1:3).

Address Service Requested

In this year's **Christmas project** we are changing things up. We will continue to have our Christmas Celebration in different locations here, but instead of collecting \$8 dollars per child and distributing clothes and toys, this year we will give out *only* toys, and the other half we will help

fund the REFUGE Project. Every week now, one of our Grace churches offers Brazilian Jiu-Jitsu, Judo, and Ballet to kids in an underprivileged community. These kids in the REFUGE Project not only hear the gospel, but they get discipled weekly. We really believe this will be a great investment! They need help to finish a room (flooring, painting and windows) to more effectively minister to the children and to expand their outreach. Come on board and help us invest in these precious little ones! They are the future of the ministry in Brazil. \$8 PER CHILD is still your investment, and you can pick how many kids you, your family, and your church would like to bless this year!
