

HAPPY NEW YEAR!

January 2020

Our Beloved Praying Friends
and Faithful Supporters,

We are always grateful to God for your continued prayers and financial support for the ministry here in Southern Brazil. We would like to share once again some Praises and Prayer Requests for you to join us in giving thanks and praying.

1. On October 26, 2019, we celebrated the Anniversary of Guape Grace Church. The occasion was attended by about eighty (80) people. This is the church we replanted over the past nine years.

Restoring Years

A Short Devotional

Joel 2:25 speaks of Restoring Years. How many years have we lost to the "locusts" of sicknesses, sinful desires and motives, personal ambition that robbed us of joy, peace and fruitfulness? Many times we feel discouraged when we think of all the time that has been wasted, never to be reclaimed.

Yet God told the people of Israel that even though they had been disobedient to Him and had been disciplined through a plague of locusts, there was still HOPE. The Lord said He is gracious and merciful, slow to anger and of great kindness (2:13). He still promised: I will restore to you the years the locusts have eaten (vs25).

Man receives Christ

2. November 15-17, 2019 was our **Annual Southern Brazil Grace Churches Conference**. It was attended by 120 registered delegates. I (Gomer) preached the last day of the conference.

3. The first week of December 2019, we had a chance to visit one of our friends in Foz Iguacu, about 12 hrs drive away. Carlos

Shmidt shared the gospel a couple times with a guy there, and during this visit I (Gomer) shared again a few things about the gospel. He finally made a decision to trust and accept the Lord Jesus Christ as his Savior.

4. Praia de Leste Church Planting Ministry: The building construction is on-going, but a little bit slowly for financial reason. We covet your prayers to finish the building construction.

5. Our Health: As some of you know, Nene has struggled with a health issue. She had vertigo and stress. It made us crazy going to different doctors and trying different treatments. Finally she underwent an MRI test. The result proved the Stress diagnosis and some white spot on the MRI result. She has taken a pill for stress for three months, and now she is doing fine and in recovery.

Again thank you for your continued financial support for us and for the ministry here in Southern Brazil. Praying that you will continue helping us while we are waiting for Christ's appearing.

In Christ's Service,

Gomer and Nene Indino
