

Dear brothers and sisters,

What a unique time we are living in. So much has transpired since the last time we sent out letters. I want to first tell you that we are well. When we first received the news that Malaysia had closed its borders to all foreigners, many emotions were running through our hearts and minds. We had just finished raising our support and the border was shut just one day before our trip. But we

remained encouraged and asked the Lord to use us however he felt necessary. Immediately after the doors were temporarily shut to Malaysia (due to the Coronavirus), we received news that Leah's grandmother's house was available to stay in. Leah's grandfather had a stroke back in November so her Grandmother and Grandfather moved to Florida to be near family that could help them during this time. God provided a house for us, free of charge, and He provided it immediately. The house needed taking care of. Cleaning, pressure washing, cutting the grass, painting, and taking care of the land were all opportunities God set up for us to be a blessing to a sister in Christ.

After a month in the house, we decided to take some time to visit family. Because of our busy schedule during deputation, we never truly had the opportunity to spend a lot of time visiting our families. We have spent time with brothers and sisters, moms and dads, grandparents, and friends. We have met new people and

made new friends. We have talked to many about how good God's grace is in our lives. We even had the opportunity to help with a very important yard sale for my brother Jared and his family. They are raising support for an adoption and we were able to help and be a blessing for them during this tough time of waiting. Due to the Covid-19 outbreak, the process to adopt was paused.

Just recently, with much prayer, we as a family have decided that I would go ahead and finish my BA degree. I

am in the process of signing up for classes with Grace Christian University. Because of schooling in my past, the path should be easy and clear. Please pray for schooling and finances through this next stage of our lives. This will help tremendously concerning Malaysia and getting a more secure visa for staying inside of the country. This decision would not have come to mind with out the door to Malaysia being temporarily closed. Brothers and sisters, we are well. God is good. Our desire to reach the hearts of the people in Malaysia grows every minute we wait here in the states.

Let us all take a step back and realize God's grand plan is perfect. There is no reason to fret over the things we cannot control. We see pandemics and riots, plans being put on hold and new plans being made, yet God is in control. We would like to thank you all for your support of our family over the last few months and year. We have truly been blessed to have such an amazing base, praying,

And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart. Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith.
Galatians 6:9-10

sending cards, and calling to encourage us so often! Thank you for taking time out of your life to lift us up!

The Sanders Family

Joel, Leah, Enoch, Naomi, and Silas

Prayer Requests

- That the borders to Malaysia will soon open to international travel.
- God will use us while we wait to arrive in Malaysia.
- Joel as He continues school online.
- Learning the Language in preparation.
- Leah's Grandparents during a time of moving and adjusting to a new life.
