ATTENTION! CALLING OUT FOR YOUNG MEN AND WOMEN TO COME SERVE THE LORD IN BRAZIL!

WHY? THE HARVEST IN BRAZIL IS PLENTIFUL

Vicki and I have had the privilege of serving in Brazil for 47 years, and we are still excited about what the Lord is doing in us and through us. Brazil is an enormous country with 26 states, and there are so many people that still need to hear of the amazing grace of God. Although there are quite a few Protestant churches here, most do not teach Grace alone.

I want to challenge young couples or single people to come join us on the mission field. We are located in the city of Recife, state of Pernambuco, on the coast in the northeast of the country. There are 5 churches in our state, and there is room for plenty more in this city of 4 million people. Some other states also have grace churches, but not nearly enough. Will you prayerfully consider becoming a missionary in Brazil through Things to Come Mission?

HOW? SPREADING THE MESSAGE OF GRACE AND PLANTING NEW CHURCHES

There are so many different ministries with which you could be involved: with men, women, and children. God can and will use our gifts and talents for His glory if you are willing and able to come. He is the One who enables and strengthens us to do His work. He has been our Rock all these years.

At our current "retirement" age, Vicki and I cannot do so much running around like we did in the past, but we continue ministering to others, faithfully teaching the *rightly divided* Word of God, spreading the message of the amazing, life altering grace of God, encouraging the next generation to take on the responsibility and privilege of reaching others for Christ, and counseling people, teaching them to live by grace, which is sufficient for us all. And you and your family can come and be a part of this exciting ministry! Contact us: dvlefeber@gmail.com

"For whosoever shall call upon the name of the Lord shall be saved. How then shall they call on him in whom they have not believed? And how shall they believe in him of whom they have not heard? And how shall they hear without a preacher?" (Rm. 10:13-14)

MINISTERING DURING COVID 19

TEACHING continues now through online services, email, and phone. Vicki also ministers through music in our online services. The Word of God has not lost its power and we have seen so many lives touched and transformed even during so many restrictions.

SPREADING THE MESSAGE OF GRACE has become so much more effective with technology, which I was forced to learn how to use in my old age. Much of my time now is focused on organizing and distributing *Grace literature* to pastors, lay leaders and other interested people of various denominations across the country. I have compiled over 300 Bible studies, sermons, and translated booklets, and I have been sending them by email, and handing out printed versions here in Recife. This *Grace literature* is much needed and has been an essential tool for younger pastors and lay leaders in our churches to expand their knowledge in Grace doctrine and to teach others.

COUNSELING has also been a vital ministry during this pandemic. Many here have lost their jobs, their security, and even some loved ones. So many people are struggling with depression and anxiety. Vicki and I have learned many years ago that God's grace is sufficient in every circumstance and we praise God for many opportunities to minister to people's hearts during this difficult time.

PASSING THE BATON to younger leaders and fellow Christians, and encouraging them to press on is a priority to us. We have witnessed God's grace, strength, goodness and faithfulness all these years and we have been challenging younger believers to step up and lead the ministries here.

Dear friends, we covet your prayers and thank the Lord for your partnership which still allows us to minister in Brazil and reach many with the gospel of the grace of God. **PLEASE, GET INVOLVED:** tcmusa.org/donate/ or send a check to: **THINGS TO COME MISSION - PO Box 127 - Beech Grove, IN 46107.**
