

PROJECT ABBA CHRISTMAS GIFT PROJECT

It's time, dear friends! 2020 has been a crazy year for sure and we don't know yet what kind of Christmas celebration we will be allowed to have with the children, but **WE DO KNOW** we still want to make it extra special for them. They've lost so much already this year! Schools are still closed in Brazil, and kids are not allowed to go to church as of now. However, if by December we are still not free to meet, we will hand deliver each gift along with a little booklet with a clear message of the gospel. We are committed to this project, come what may! With so much fear going around, it's the perfect time for a message of spiritual hope and security for the children and their families.

We would love for you to partner with us! Please join us in prayer during this challenging time and, if you can, contribute financially so we can buy clothes and toys for these precious little ones. **\$8 PER CHILD IS YOUR INVESTMENT**, and you can simply pick how many kids you, your family, and your church would like to bless this year, and send us your donation by the second week of December. We will do all the shopping, wrapping and delivering for you!

TO DONATE GO TO: tcmusa.org/donate/ (write "Project ABBA" on the memo)

Or send a check to:

Things to Come Mission
PO Box 127
Beech Grove, IN 46107

Thank you for being a part of this project!
Because of our Abba Father's loving
kindness toward us,

Michelle Campos and Vicki Le Feber
