

KILGO UPDATE

December 2020

Greetings to you in the grace of our Lord and Savior Jesus Christ!

We hope you are all doing well. We are rejoicing in this season of hope as we ponder the wonderous birth of the King of kings and Lord of lords. May He find us faithful as we seek to glorify Him in doing the work in Southeast Asia. Thank you for your unfailing support! We are appreciative of your sacrificial giving, and we thank Him for your generosity.

Our praises and prayer requests:

Lord willing, our Bible school will officially begin on the 11th of January 2021. Pat will launch it by teaching Bibliology the first six weeks, and another instructor will begin teaching Bible History 1 during the following six weeks. We praise God that we have four pastors who have committed to serving the Lord in our new Bible school. Currently, there are a dozen students who are registered. Please pray for the instructors to have God's wisdom and for the students to be able to understand the Word rightly divided (2 Tim 2:15).

We praise God that our church is doing well. Although the government reinstated restrictions to prevent groups that are larger than ten people from meeting, we are continuing with the sermons online. Also, our leadership team maintains contact with our members.

During these uncertain times, it is difficult for us to plan to visit the States next summer. In our area, the government requires all returning residents to undergo a two-week quarantine in a hotel at our own expense. Normally, we would not hesitate to leave the country under such strict rules, but we have several important events in the U.S. to attend. We ask for your prayers and that the Lord will enable us to attend them without having to do the two-week quarantine. Hopefully, things will improve within six months.

"Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you" (2 Thes 3:1 KJV).

Once again, we thank you for your support and for your prayers. We hope that you all have a blessed CHRISTmas season and a healthy New Year 2021! May God bless you all!

In His Service,

Patrick & Michelle Kilgo and Family
