

ROLAND AND BEVERLY IMPROSO

DEAR MISSION PARTNER,

We hope this newsletter finds you well. Thank you for your unending love and concern for us. Our heart is overflowing with gratitude because of your prayers and support. Though this year is full of challenges, we never lose hope. We believe in Paul's statement in Romans 8:28, "And we know that all things work together for good to those who love God, to those who are called according to His purpose."

Despite the delays in going to the mission field this 2020, we still thank the Lord for the many opportunities He has given us to serve Him. We realized that the gospel can't be locked down. Regardless of the situation, we can still find ways to minister as long as we keep an open mind.

Last month, our province was flooded. It was one of the worst floods that our province experienced so far. We thought our home will be flooded too because most of our neighbors' houses were flooded. But thanks God, our home was spared. Many people were affected, but God used the situation as a window of opportunity for them to hear the gospel. We thank the Lord for His people, who in one way or another extended their support through the initiatives of TCM and local workers. It was a great privilege in seeing people receive physical and spiritual blessings.

PRAYER REQUESTS

1. Please pray for the COVID 19 pandemic to end. Pray that the vaccines will work effectively.
2. Please pray for Taiwan. It recorded its first COVID local transmission in 8 months just the other day.
3. Please pray for the Philippines as it fights COVID 19.
4. Please pray for open doors. Taiwan's embassy postponed the processing of student visa for learning mandarin since March. This is the kind of visa that we're applying for.

As 2020 ends, let us reflect on how God richly blessed us this year with so many opportunities, though, it may not be the ones that we prayed for or imagined. God is preparing something for us. Maybe the open door that we're expecting will appear in 2021.

Thank you and God bless!

Yours in His love,
