THINGS TO COME MISSION

THE QUIÑONES
VINCENT & SHIRLEY; VERSE AND SVEINN

HANDS-ON DECK IN THIS PANDEMIC: Our order is to take the gospel of God's grace to the ends of the earth! (Acts 13:47) The greatest tool we have is prayer! "The history of missions is the history of answered prayer."

Dear Partners in God's Mission,

Warm season's greetings from The Quiñones. Thank you for remaining committed to support and pray for the ministry. Coming to the end of 2020, there is a prominent question to ask ourselves; Did 2020 help us refocus on God and His plan and purpose for our lives on earth in His mission? Our focus is to be equipped while patiently waiting, and to equip others to find their role in the GRACE Ministry. So, let's sharpen our skills and tools to pray, reach the unreached! God will see our love for Him, indeed!

THANK YOU: Through the RELIEF PROGRAM, we were able to assist families by caring for special needs as Typhoon Ulysess hit in Isabela, Cagayan Valley, Tuguegarao and Metro Manila in December. The families from GGCC- Isabela and Tuguegarao received financial assistance, GGCC- Batasan Quezon City, GGCC- Bagong Silangan Quezon City and GGCC- Rodriguez Rizal received goods, encouragement and spiritual food from GRACE VENTURE . Pray for them that the love and grace of God, which embraced them, will empower them to become great testifiers of HIS GREAT LOVE AND FAITHFULNESS towards them! THANK YOU, FRIENDS , AND ALL MEMBERS FOR GIVING INTO THE GRACE VENTURE TEAM - RELIEF PROGRAM.

PEOPLE-TO-PEOPLE: A lot has happened here over the past few weeks! We are in the process and praying of launching our new target place (NAIC CAVITE) for our pioneering work. Our purpose is to connect people to God through Christ and to connect people to people in our local fellowship/churches. Our contact is a retired Master Sargent of Arm Forces of the Philippines and Family. We agreed to start our ministry soon to be a church in the said place, They suggested to rent a place where we will hold our Sunday services, prayer meetings, and small group meetings during the week. As God adds to the church, we will need a bigger venue for our Sunday services.

Up until the end of December, our National government announced that most places are still on General Community Quarantine (GCQ) meaning—anyone 18 years old and below and 65 and above should stay at home, churches are allowed at only 10% capacity, you need to secure travel authority from the Philippine National Police for you to travel! Imagine being forbidden to leave your front door on Sunday being Christ Ambassadors! But praise God, despite the pandemic, I was able to counsel, pray, and share the message of grace with the family of Gregorio following a very controversial incident that happened in Paniqui, Tarlac. May your prayers and giving enable many souls to be reached. Thank you for your continuous support in the midst of COVID. May God bless your families and protect them.

POINTS FOR PRAYER

* Pray that the seeds of love and generosity sown by our churches will bring new favor with the government to reach cities, towns and provinces for Christ.
* Pray that the coronavirus will be stopped and pray for a swift end to the lockdowns and curfews in all nations, that people may be able to support their families.
* Pray for the missionaries whose travel and ministry are limited due to lockdowns and restrictions, that they may continue to encourage and counsel and evangelize using whatever means necessary.
* Pray that God will do a deep work in His people and churches around the world during this season, and that this global calamity will usher in a global revival.
* Pray for my S.O. documents and our visas for Taiwan to be issued soon.
* Pray for Verse home schooling, for his need (laptop) for online schooling.

Thank you for your partnership in the Gospel of Grace the Grace of God!

Sincerely in Christ Service,

Vincent & Shirley Quiñones
