A joyful New Year to you as we celebrate CHRIST JESUS together!

THANK YOU so much for being partners with us!

**Dear Partners in God's Mission,**

Despite the COVID-19 pandemic hitting the world twice by 2020, God is still THE SPECIALIST, turning into good what the enemy meant for evil.

Due to COVID-19, suddenly, children were no longer allowed to come to church anymore. We were faced with a huge challenge. Shirley, my lovely wife, started an online weekly video production for kids. The church did not have the finances for such a project, but God miraculously provided through generous supporters!

We used what we had:

1. Our two children as part of production.
2. Our rented apartment living room and kitchen.
3. Some Christian children's videos.
4. Character-building stories.
5. Songs to teach Bible verses.
6. Cartoon characters and voices to illustrate biblical truths.
7. All the technical skills we could muster up.

After six months of producing Sunday School kids-videos every single week, we have improved our productions, and God is allowing us to reach children not only in Cavite area but also in Pangasinan, Part of Bicol Region, Palawan, Tarlac, Mindoro, Quezon Province, Australia, Saudi Arabia, and Riyadh as far as we have information!

Through Bible stories, Object lessons, Prayers, Bible verses, kids' praise, and life-lessons, the children learn about God's love, how to read the Bible, pray, worship, and have strong faith in Jesus. Thank you so much for your prayers that these videos will impact the kids' lives and that God would raise up an army of strong witnesses for Jesus everywhere God takes them!

Another blessing we experienced successful launching of the new place for Pioneering Ministry last January 16, 2021 at Naic Cavite and January 2, 2021 Trecee Martires Cavite. Despite of pandemic, I praise the Lord that we

could meet face to face. It was amazing how peoples' interest in God's word.

Wonderful privileged to supervise our churches in Dasmaringas, Gen. Trias, and Imus. The ministries are also growing despite of the situation. We pray for each leader to be encouraged as they spread the gospel and shepherd their flock. I also disciple several pastoral couples here CAVITE. Please pray for these couples as they care for their churches and train new leaders.

On a PERSONAL note, we are truly proud of our first boy, Verse! He has been attending a private elementary school, thanks to generous donors. He has worked hard, and we thank God for his

interest and good grades! Verse and Sveinn are very cooperative and active doing the Sunday school lesson videos with their Mom Shirley.

Thank you for your love, your prayers, and your financial support as we work hard together to reach the families for Jesus! You are a very important part of the ministry, as we can only be here because of your generous support! We simply

could never thank God enough for you!

Thank you for your partnership in the gospel of God's Grace.

Sincerely in Christ Service,

Vincent & Shirley
