Dear Family and Friends,

Sunday school at Grace Church Kiganjo

Kenya was such a great experience! We were in Kenya for six months while waiting on Malaysia to open, but sadly Malaysia is still a closed door. While in Kenya, we were able to help out at the Bible school (**Kenya Grace Bible Institute or KGBI**), as well as teach Sunday school, Bible hour, Bible studies, and Joel preached at various churches. There was a lot to do and we stayed pretty busy trying to learn and help as much as we could. We also helped out quite a bit with a new church plant in a near by town. Joel and I are so blessed to have

had such an amazing opportunity to serve in Kenya. Not enough can be said about how great a people and place Kenya truly is. We will surely miss it and all our friends there. Ultimately, we decided not to stay in Kenya, but to wait back in the States for Malaysia to open. While we are Stateside we are determined to finish school and get a degree that will help with the visa to Malaysia. Joel still has almost two years left of school before he is finished. Things to Come has given us a two-year leave until we finish so we can focus on school.

While we are on leave, Joel is working with his brother in north Georgia doing some construction work to help provide for us financially. We will also help out in a nearby Grace Church in GA. We keep trusting and praying that God will open the door and that we will be ready for whatever He has in store for our family.

I would be lying if I said this was all easy, but we have peace with Christ. This year more than ever we have tried to be content and minister wherever we are. It is not for us to know the plans God has, but to trust and follow where they may lead us. This verse keeps coming to mind when thinking of all that is going on in our lives: ***"I believe that I shall look upon the goodness of the Lord in the land of the living! Wait for the Lord; be strong, and let your heart take courage; wait for the Lord!"***

Psalms 27:13-14 ESV

So we take courage, knowing Christ is at work in our lives even when we are not sure where it will lead. Thank you so much to all who keep us in your prayers. We appreciate you more than you know!

Mungu ni mwema! ("God is good!" in Swahili) Let us keep trusting that!

In Christ,

Prayer Requests

Pray for guidance on each step as we wait.

Pray for Malaysia to open back up.

Pray for all those who are unreached to have more opportunity to hear the gospel.

Pray for all missions during these times. Covid is making a lot of doors shut all over the world for a lot of missionaries.
