

KILGO FAMILY

Serving the Lord in Southeast Asia Since 2014

Greetings in the Lord!

May the Lord bless you for your sacrificial giving. Thank you for your eternal investment in the ministries in our neck of the woods. We have had an eventful summer, and we are thankful to God for His provision in every area.

First, we are extremely grateful to the Lord of hosts for allowing our family the privilege of attending our oldest son's graduation in June and the holy matrimony between him and his bride Natalie in July. Second, we are thrilled that we were able to reunite with our oldest daughter after being separated from her since 2019 due to COVID restrictions in place. Third, we have been exceedingly blessed to visit our loved ones including some of you! Let us all praise God for His faithfulness!

We still have some prayer requests related to our upcoming travel. At present, my son and I will be required to undergo a 14-day hotel quarantine when we return to Southeast Asia next week. Pat and our youngest daughter have already completed it. We are hoping that the requirement will be lifted, or at least slackened, in the next couple of days. Will you join us in prayer for this request?

Philippians 4:6 states, "*Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God.*" Please also pray for God's peace during this challenging time. "*And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus*" (Phil 4:7).

Additionally, we want to stop and thank God for allowing us to do this ministry for seven years now. When we look back on all the progress – the friendships, the Bible studies, the church plant, the Bible school – we cannot help but be humbled at God's goodness. Many of you have sacrificed to make this happen – **thank you!**

Among the projects on the horizon that we are praying about is a new video series designed to re-vitalize the old *Highway of Life* lessons for a Chinese audience. The idea would be to take the 25-lesson series and film each lesson in Chinese with an eye towards teaching both Bible and English. This outreach would not only help our ministry in Southeast Asia but it also would provide another discipleship tool for those in China who are open to the gospel.

**Thank you for
serving the
Lord
alongside us.**

Please pray for this project, specifically for the right people to come along with the right ideas and expertise. If there's one thing that these past seven years has taught us it's that God makes easy work of things we believe are hard!

Thanks so much for reading, and may God continue to bless you for your faithfulness to our ministries. Stay in touch via email, and keep us posted on your prayer needs. We appreciate your prayers, notes of encouragement, and gifts very much. God bless you!

Serving Him together,

Pat and Michelle Kilgo
