

# Timothy Board, TCM Development Director

*Pastor Timothy Board was born and raised in the greater Chicagoland area of northwest Indiana. After being saved by the grace of God through faith alone in Jesus Christ, at a young age, the Lord called him into gospel ministry. Tim and his wife, Lori, were mar-*

*ried in 2002 and live in Indianapolis, IN near the Things to Come Mission home office.*

*Tim graduated from Berean Bible Institute, St. Louis Theological Seminary and Bible College, and also earned an MA in Ministry from Grace Christian University. After ministering in the pastorate of several Grace churches from Denver, Dayton, D.C., to the Dells area in central WI, Tim now serves as TCM's U.S. Development Director.*

*As TCM Development Director, Tim seeks to reignite a passion for prayer and mission partnership among Grace believers through presenting the ministries of TCM and scheduling missionary speakers. He seeks to recruit and train potential missionaries and lead short term mission trips. Additionally, Tim develops working relationships with pastors and leaders to help revitalize Grace churches in the USA. Tim regularly speaks in churches, camps, and conferences across the country including Northern Grace Youth Camp where he also serves on the board, has taught at a classical Christian high school, is ordained by the Grace Gospel Fellowship, and is the senior member of the TCM-USA board of directors.*

*The Boards are committed home educators of their six children: Timothy, Luke, Elijah, Bethany, Grace, and Noah. Their passion is to magnify God's glory by advancing the light of the gospel of His grace in Christ Jesus to the ends of the earth beginning right at home.*

*Soli Deo Gloria!*
