Our dear brethren in Lord,
Greetings from The Kingdom of Wonders!

This year is a year of progress in our language learning, making friends and building relationships with Khmer people.

We are very happy and excited to tell about our updates, especially in our language learning and how God has really blessed our lives as we stay here in Cambodia.

Comment: Well done Cherry! Work on subscript រ វ ៀ and វ្រ វ្រ វ្រ.

Over the past 7 months of prioritizing our language study, we saw a lot of progress. I (Cherry) can read Khmer script already, speak Khmer language better, understand more when Khmer people speak, sing in Khmer and facilitate fellowships and Sunday services in Khmer language. Pastor Jude also facilitates fellowships in Khmer language and is progressing in his language study.

We are really confident that learning the language is the key to help us to understand the locals and be able to share the gospel to them more effectively. We have 4 more months to learn, develop, exercise how to speak and to progress more in the language.

We are so grateful for your support financially and in prayers. Thank you for your partnership in the mission work. We are also thankful and grateful for those individuals and churches who helped us raised funds for a keyboard. We bought it already and it will be useful in the future ministries here in Cambodia.

Love,

Jude and Cherry

KINDLY HELP US PRAY:

- Language study (4 months more)
- Preparation for the new future church in a new place.
- Building relationship with Khmer people.
- Good health every day.

It's the same for you. If you speak to people in words they don't understand, how will they know what you are saying? You might as well be talking into empty space. There are many different languages in the world, and every language has meaning. But if I don't understand a language, I will be a foreigner to someone who speaks it, and the one who speaks it will be a foreigner to me. 1 Corinthians 14:9-11

BUT IT IS NOT IMPOSSIBLE.**
