

HONCULADA

Cambodia Praise & Prayer Updates

October 2022

Praise Items

- ⇒ Praise the Lord for the month of September, we experienced some **“first times”** in the mission field. We had our first time visit and pre-immersion in our future church planting ministry (Chbar Ampov). It’s also our first time to visit and stay in the house of one of our Khmer church members in their province and get to meet their parents and relatives .
- ⇒ We are also praising the Lord for our 1 year visa renewal.
- ⇒ We praise the God for the Khmer local connections and people that we’ve met in Chbar Ampov. Hopefully they will help us in the future church planting ministry.
- ⇒ We praise the Lord for our 1 year + 3 months stay in our rented place. We are grateful for having a very kind house owner. Our rent is until December, when we will transfer to a new place.
- ⇒ Praising the Lord for the good health, wisdom, joy in serving the Lord, provision of needs and God’s protection and especially we can start and continue our Sunday service in our place.
- ⇒ Lastly, we praise the Lord for the people who pray and support us through prayers and finances.

Prayer Items

- ⇒ Kindly pray for our ongoing planning, visitation, proper immersion, survey and building more connections for our future church planting ministry.
- ⇒ Please pray for a future rental place that will double as our home and future church. Ask the Lord to guide us in looking for the strategic place to rent. Also include us in your prayers for the provision for our house rent (normally 2 months deposit and 1 month advance) and for the things we need to purchase in staying in a new place.
- ⇒ Please pray for our local connections and our Christian Khmer locals who will help and partner with us in the church planting ministry.
- ⇒ Please help us pray also for more wisdom in planning for this new ministry, good health and protection as we will be engaging a lot of people (intentionally) that includes Khmer, Chinese, Muslim and Vietnamese.
