

TEAM EAST AFRICA

February 2023

Dear Partners in Mission,

Greetings in the wonderful name of Jesus!

Time flies really fast! We're now in our fifth month here in Uganda. God has been so gracious in allowing us to have a 36-month work permit and for enabling us to find an apartment within walking distance to the churches. Every Tuesday and Thursday, Roland is teaching a Bibliology class to the members of the two **Abounding Grace Churches**. Starting this month, he'll be teaching a leadership class every Saturday for the church leaders.

In December, we had the privilege of conducting an evangelism seminar with the two churches. It was a wonderful opportunity, teaching all the necessary skills to have an effective evangelism program, as well as a discipleship program. Right after the seminar, one of the churches started a weekly evangelism program, while the other church is starting its outreach this month.

In January, our team started going outside Kampala. Roland and Pastor Gardner along with the leaders of **Abounding Grace Church** visited the church in Kasambira on January 15 to see how we can help the brethren there improve their ministry.

SURVEYING ENTEBBE FOR FUTURE CHURCH PLANT

On January 28 we had a survey trip to Entebbe, along with Pastor Joseph (AGC Director) and Pastor Jojo (AGC Kirombe) whose family resides there. Entebbe is a strategic place in starting an outreach as it is the country's main airport hub and serves as a gateway to the capital city, Kampala. Our plan is to start a Bible study there with the contacts we have, and later plant a church.

Our 2022 was a great joy because of your support and prayers which enabled us to minister the Word without hindrance. May you continue doing the same this 2023 because we are in this together. Thank you for partnering with us in spreading the gospel.

*"And pray for us, too, that God may open a door for our message, so that we may proclaim the mystery of Christ."
Colossians 4:3*
