For 60 years TCM has stood on the faith principle in which the missionary is not required to raise a specific amount. These amounts are an estimate of living and ministry costs.

# HEATH

“Declare His glory among the nations.”

1 Chronicles 16:24

Robby and Tegwen, along with their children Vernon (10), Vesper (4), and Vivian (1), have been missionaries in Kenya for the last four years. They have a rich TCM missionary heritage. In fact, Tegwen was born and raised in Kenya, where her parents worked for 17 years establishing Grace Bible Churches and starting a Bible school. Her father, Ben Anderson, had purchased a property to build a residential Bible school. Robby, Tegwen, Vernon, and Vesper arrived in Kenya in February 2019 in time for the groundbreaking ceremony in April. Since then, Robby was busy developing the curriculum and helping to get Kenya Grace Bible Institute ready to welcome its first class of students in January 2020. Robby is the Dean of Academics, in charge of scheduling and bookkeeping, and a full-time teacher. In October 2021, KGBI graduated three men who are now pastors in churches across Kenya. Two of them have already come back to teach classes at KGBI! When they return to Kenya for a final term in December 2023, Robby

will resume his responsibilities and seek to train faithful men who can carry on the work.

In 2022, Robby proposed a Church Planting & Mission Department (CPMD), which was approved and established in 2023. Its mission is “to train church planters, identify potential areas for church planting, plan evangelistic missions and plant Grace churches in Kenya and beyond in collaboration with Grace Bible Church and Things to Come Mission’s Team East Africa.” Next term, Robby will work alongside the CPMD director to train church planters. Also, through this department, Robby seeks to raise awareness in the Kenyan churches for foreign mission work in East Africa. Team East Africa is a collaboration between TCM and the Philippines mission department to establish Grace churches in Uganda, Ethiopia, and Rwanda. So far, Gardner & Ledith Improso and Roland & Beverly Improso are working in Uganda, and we hope to target Ethiopia next. Robby and the CPMD seek to raise Kenyan missionaries for Team East Africa!
