

**PROJECTS:** We did not send out our scheduled *Projects* flyer in January. Why not? Because *the Father knows the things you have need of before you ask Him!* All our projects were fully funded before we could advertise them! Praise the Lord for providing Bible/theology books sets for IGBI graduates, ceilings and fans for Team Timor classrooms, renovation of a sports court in N Brazil, laptops for Team Laos, youth/children's materials for outreaches in Myanmar and the Philippines, and completing KGBI staff apartment and kitchen construction projects.

**MALINDI, KENYA:** Pastor Peter Kagwi and Pastor Wicklif traveled up the Kenya coast to Malindi for 2 days. They report, *Our main goal for our visit this time was to follow up with contacts from our last outreach and introduce to them the Bible Correspondence lessons. We were able to meet 27 people and provide them with the Highway of Life lessons in English and Kiswahili. Next month we will go back, collect the lessons and distribute the next set of lessons as well as interact with the students and reach more people. Thank you for faithfully partnering with us.*

**UGANDA:** The two Improso families taught an Evangelism Seminar for the *Abounding Grace Churches* that led to each church starting an evangelism program. In January the missionaries and leaders conducted a church planting survey in Entebbe. Pray that a Bible study can be started there that will grow into a church.

**GRADUATES:** Pray for Bible school graduates beginning their ministries as pastors, teachers and/or church planters. Some, such as KGBI grads Bonface and Solomon in Kenya, are filling vacancies in existing churches. Others, such as MGTS grads Caleb and Theophilus in Myanmar, are endeavoring to plant new churches. Several IGBI grads are

pioneering works in new areas of the Philippines, while the brand new GTEAMS grads in South Africa are awaiting assignments. Ask the Lord to give all these graduates His vision, guidance and wisdom.

**TRANSITION:** Gomer and Nene Indino covet your prayers as they transition from 25+ years serving in South Brazil to TCM's new work in East Timor. They leave March 2nd for the Philippines, where they plan to attend the Grace National Annual Conference in April and the Southeast Asia Grace Conference in May before joining the Arsinos and Ciony Buca in East Timor. Pray for a smooth adjustment to a new country, new ministry, new culture and new language (Tetun incorporates many Portuguese words).

**MANILA MISSION HOUSE:** Rejoice with TCM in the purchase of a 4-bedroom townhouse in Manila that will serve as a TCM missionary guest house, an office for TCM-Philippines mission department, and a Southeast Asia base for TCM's International Director. Since 75% of TCM's current missionaries are Filipinos, who often pass through Manila to process visa paperwork or on their way to or from their assigned fields, having a place to stay will be a great benefit. The mission department office will solidify the shared vision and commitment of TCM as a mission with TCM-Philippines, home to the largest number of Grace churches in the world. It will also give Ben Anderson a "place to land" during his annual visits to TCM's Southeast Asia fields. Praise the Lord for the sale of a TCM property in Brazil along with legacy donations and "Where Needed" donations to fully fund this purchase.

**INTERNATIONAL DIRECTOR:** Pray for Ben Anderson as he has a heavy travel itinerary over these two months, starting with a week of teaching at the STAM Bible school and preaching in churches in Indonesia along with GTCM grad Reagan Mejia. After that, he plans to visit TCM's work in North and South Brazil, then back to Asia to visit TCM works in Laos, Thailand and Malaysia and build some contacts in Korea.

**HEATHS:** Robby & Tegwen and their kids, Vernon, Vesper & Vivian arrived in the USA in January for a year of home assignment. Pray for them as they attend Spring mission conferences hosted by churches in MI, PA and NY and share about their ministry in Kenya and vision for expanding Team East Africa. Praise for provision of a TCM minivan that can accommodate their family.

**5th SOUTHEAST ASIA GRACE CONFERENCE:** May 25-29 in Cebu City, Philippines.
