

NORTH BRAZIL: Praise the Lord for 83 women who attended an annual Women's Conference with the theme *Transformed to Transform*. **Michelle Campos** spoke the last day on realizing the transformation you can have in Christ to become a channel of transformation to others. Pray for healing for Michelle's painful knee issue. Pray for **Project ABBA** Christmas outreaches to children in 3

IMPROSOS: Pray for **Gardner & Ledith Improso** who have wrapped up their 18-month assignment in Uganda and are on their way to the Philippines where Ledith will have long overdue gall bladder surgery. Pray they can return to Myanmar in the spring, especially since changes in visa regulations make it more difficult to stay in the country.

SOUTH AFRICA: Praise the Lord for the GOMSA National Conference with guest speaker, **Titus Kivilu**, director of Kenya Grace Bible Institute. The 150 delegates were challenged to Grow in the Grace of Teaching and Training Others,

Church Planting, and Giving. Congratulations to the 18 GTEAMS graduates! Pray they will use their training effectively. Pray for **Dean & Sheba Padayhag** and their daughters as they move to Cape Town in the new year

to pioneer new church plants, and for the GOMSA leaders who will shoulder the ministries they leave behind in the Johannesburg area.

KENYA: Praise for 2 weeks of Bi-Vocational Training for students who hold regular jobs while also active in ministry. KGBI Director **Titus Kivilu** writes, "Their testimonies of how much the training has impacted their lives melts my heart and I can just give glory to God. Thanks to all KGBI instructors and staff members for equipping these dear servants of God." Pray for new students to join this BVT program as well as the KGBI residential Bible school in 2024. Pray for **Robby**

& **Tegwen Heath** and family returning to Kenya Dec. 12. They are sad to leave family and friends in the US, but excited to get back to their ministry. Robby is already scheduled to attend board meetings, visit churches to recruit new students for the Bible school, and help a Kisumu church repair flood damage and prepare for the next rainy season.

BEN ANDERSON: Praise for a useful trip to Southeast Asia to speak at the Cambodia conference, meet with new TCM Team missionary candidates (**Arcinos** going to Thailand, **Mejias** to Kenya for orientation then on to Ethiopia, and **Zabates** to L♡♡s), and take an exposure trip to South Korea to meet contacts. Now that he's back in Kenya, pray for God's timing for a trip to Ethiopia to do some groundwork for the Mejias to open that new field.

MARAATS: **Genesis & Verna** made an unexpected trip to the Philippines to help their son, **Josiah**, who is recovering from a motorcycle accident that crushed his upper jaw and cheek bone.
