

Jude & Cherry HONCULADA

February 2024

Dear Mission Partners,
 We are very grateful for your continued support and prayers to us. We believe that this year will be a year of **DOING, ACTION & HARD WORK** for God's ministry here in Cambodia field.
 Here are the highlights of events for the past two months where God is working through us.

Pictures from left to right: Cherry, Pastor Jude, Bong Phiep, Somnang and Bong Moam.

We still continue to visit our connected family in Chbar Ampov to build deeper relationship with them.

In our new place, I (Cherry) connected with these young professional ladies. Praying to build more relationships with them.

Our Prayer Time ministry with Lokru and family continues every Friday night. Praise the Lord for the development of our prayer life and our relationship with each other also as brothers and sisters in Christ.

During the 6th church anniversary of City Central, we invited Bong Phiep & Family to join the celebration. They already joined Sunday service in both churches. We are glad to see them growing more & more in their walk with God and in their relationship with their whole family.

Last two Saturdays of February, we started the English club in our new place. on the 1st Saturday, we called it "English club Ignite" for the opening class. The next Saturday we conducted enrollment for the students and visited their house and asked permission to their parents. We have 14 students in total. We planned to do it every Saturday for 5 months.

Praise the Lord that I celebrated my birthday and house warming successfully. I pray that through this event, we can build deeper relationship with CGGC family, our neighbors and friends.
